WOW What A Month

Membership Update:

I think we have set a record for our club the past month. We have inducted six new members, raising our total membership to 46! Thanks go out to the sponsors of these new Kiwanians. At this point, we have met our membership growth goal for the year. But, don't let that hinder your recruiting effort. There is still room at the IHOP for more of us on Thursday mornings.....**Dave Heise**

Our six new members are:

- Laura Bridges - Branch Manager, National City Bank
- Celeste Bowden - Branch Manager, Union Federal Bank
- Matthew Drury - Funeral Director, Wilson St. Pierre
- Jim Robinson - Sales Manager, Rays Trash Service
- David Roushia - Event Coordinator, Deputy Sheriffs Fraternal Organization
- Jeri Warner - Program Director, Trusted Partners

Note from President Frances

Please welcome our six new members, This brings our total membership to 46 members. Please help them to be an important part of our Kiwanians family.

Our finance and fund raising committee is hard at work again on our Reverse Raffle to be held Oct 2. It is going to take every member working together to make this a success, Team captains need to get in touch with your teams to be fired up to sell those tickets.

Jeanne Clypenpeel and I went to the all day district meeting in Columbus. Scott Splichal attended on Sunday. Our club got outstanding club, 2002-2003, growth and service award. Past President Steve Wintersteen and Linda Melton received outstanding President and Secretary for the year 2002-2003. Congratulations to both.

We had a great family picnic at the Greenwood North Annex. First time we didn't have a morning meeting and it was fun to share Kiwanis with our families Thanks to all that attended.

Our next event is the installation of new officers for the 2004-2005 year. It will be held on September 22 at Piper's in Greenwood. This will be a buffet including 2 entrees, salad, vegetables, rolls and dessert for \$20 including tip and tax. Please pay Scott

It appears that a cleaning business in Martinsville maybe taking the town to the cleaners.

Fred W. Nichols , project engineer for the clean up explained that a chemical used in the cleaners process had gotten into the water the city uses and needed to be cleaned up. The business had insurance in excess of \$1 million dollars and it will take that and maybe up to five years to get the job done.

Council Meeting

Capital Division Council meeting was hosted by Perry Township Kiwanis at the U of I Student center. Lt Gov Paul Lang

conducted the meeting with Down Town Club, Riley Club, Speedway, the new East Indy and Perry Township club in attendance. Each club shared what was going on this year in their club. The Down town club was putting emphasis on retention. The Speedway club is working on building their club. The Riley club has an emphasis on Riley Hospital.

The East Club is excited about a good start with membership and working on program and fun raising. Perry shared our successful fish fry, Bug program, working on service and the upcoming Reverse Raffle.

Paul Lang announced the fact that the new District office has been opened in Castleton. He also encouraged attendance at district meeting in Columbus. He also shared the importance of new presidents and secretaries attending training classes.

Franklin Noon Club

Perry Twns had an iinter club with the Franklin on August 20. We heard a great discussion on the importance of China. We had in attendance Matthew Drury, Laura Bridges Frances and Skip Booher.

A real highlight of the meeting was that Matthews father and a friend were also in attendance. Matthew's dad has been a member of Kiwanis for a number of years and at the present time a member of the Franklin Club.

We had a Picnic

Joshua and Friend

We didn't have our meeting Thursday morning August 5 th but met in the Greenwood Annex park that evening with family and friends. Good food ,good fellowship and a surprise visit from Joshua Taylor and his sock puppet. He and his dad put together the surprise friend sock, tape and a pair of glasses. They visited with the group and was enjoyed by all!

Chef Scott cooked up hamburgers, hot dogs, brauts and turkey burgers. Nearly 40 were there and the pitch in dishes were delicious. We also picked out the names for the raffle ticket selling teams.

Young children Priority One Committee Report:

The Marion County Health Department sponsored a Free Back to School Shot Clinic at the Baxter YMCA on Saturday, August 14 from 10 a.m.-2 p.m. The Clinic was open to any child who needed vaccinations in order to be up to date for the school year. Since this was the first year at the YMCA, the Health Department wasn't sure how many children to expect so they brought plenty of their own volunteers. Linda and Kristina Melton from PTK went to help, but by 11 a.m. they were told they could leave because of the small turnout. Linda caught up with Jennifer Sherer, the coordinator from the Health Department, later in the week and Jennifer reported that they ended up seeing 45 children and administered 100 shots. She plans to continue the effort next year and appreciated our help this year and hopes to receive help from us again next year as the program grows in Perry Township. One observation I made was that they really could have used a Spanish interpreter so next year if anyone from PTK can speak Spanish, I'm sure that would really be helpful to them.

Tara Deppe of U of I Receives J Walker Field Scholarship

Presented since 1985, the scholarship is in memory of J. Walker Field, a past Kiwanis governor and avid Circle K supporter from the Florida District. Although wheelchair-bound, traveling around the divisions, district, and international organization was no obstacle for J. Walker to offer support to his beloved Circle K'ers! Friends and colleagues of J. Walker's funded the scholarship in memory of J. Walker. Recipients of the scholarship from 2000 until now include: Meredith Ristau from Baldwin-Wallace College in Ohio, Stephanie Voyles from Iowa State University in Iowa, Amber Ross from University of Nebraska at Kearney in Nebraska Grace Bice from University of South Alabama in Alabama

The 2004 recipient is Tara Deppe, from the University of Indianapolis in Indiana. Tara has a 3.924 grade point average. She has served as Fund raising Committee Chair for her Circle K Club and she has also served as the President of her Circle K Club! Since August of 2001 through February 2004, Tara has completed 285.5 hours of service to Circle K community service projects! Tara is also actively involved in other campus and community organizations. A deserving scholarship recipient is Tara Deppe -- one who personifies the kind of student J. Walker Field would have proudly worked with side-by-Kiwanis

Nora's Back

TO ALL OUR FRIENDS: AFTER NORA'S SURGERY THURSDAY MORNING AT ST FRANCIS HOSPITAL IN BEECH GROVE I CAN'T SAY ENOUGH GOOD THINGS ABOUT THE TREATMENT AND CARE SHE RECEIVED. HER MAIN ARTERY WAS 98% BLOCKED AND DR HICKMAN INSTALLED A STENT AND EXCEPT FOR HER COMPLAINING OF HER BACK HURTING FROM LAYING FLAT ON HER BACK FOR SEVEN OR EIGHT HOURS SHE GOT ALONG WONDERFULLY.
