Perry Township Kiwanis

Rosa Parks Elementary K-Kids

We met at Rosa Parks Edison Elementary, which we learned is not a Charter school. Rosa Parks-Edison is a Perry

their own charter board. Jenny Zotz is the K-Kids advisor along with some volunteer parents. This year's K-Kids club has risen to the

Township school and is governed by the MSDPT Board of Education. Where as a charter schools have

fourth, yes I said fourth largest International Club with a whopping 116 K-Kids. K-Kids if you are not familiar with it is (I get them confused) a "student-led" community-service organization, which operates under school regulations and draws its members from the student body for grades K-5 and is sponsored by a local Kiwanis Club. K-Kids motto is "We Build". A special Thanks to Jenny for all her hard work.

Indy East Interclub

Wednesday, November 17th a group from our club: Jeannie Clyngen-peel, George Soukop, Kristina Melton, Linda Melton and Scott Splichal along with members from the Indianapolis club attended an interclub. Indy East is a new club who is in the building stage and

learning what their boundaries and limitations are. They have strong leaders and I am confident they will be a good club and contribute a lot to the east side of Indianapolis. This club meets at Pleasant Run Golf Course from 7:45 to 8:45 every other Wednesday and would be honored to have you visit.

Thanks to all the Kiwanians who donated both money and gift items for the Operation Shoebox project. There were 5 boxes of presents in all. Three were for boys and two were for girls. Enough money was donated to cover the \$5 shipping cost for all 5 boxes. It was a pleasure to wrap those boxes and think about the joy that they would bring to young people whose lives are less fortunate than ours.

Riley Hospital Bags Pictured left were Kiwanians, Circle K members as well as family members who met in Scott's garage on Thursday November 11th to put welcome bags together for parents of children who are admitted to Riley Hospital. We were led by Harry Steffey who is the new parent's coordinator for the program. We put together over 500 bags in about 1-1/2 hours. Kiwanians in attendance were Becky Carver, Jeff Udrasols, Celeste Bowden and Scott Splichal.

When was the first year Kiwanis opened to women?

(Average age of a Kiwanis member is 55)

Pres Elect Jeff Udrasols thanks speaker Bob Williams from DOT.

A Visit By the Governor

The Governor visited to the Capitol and Indy Metro divisions. There were about 100 people in attendance. The dinner and festivities were preceded by a divisional council meeting with a representative from each club telling what their best fundraiser and best projects were. We certainly did shine and many questions were asked about information about how we did it. The picture is of the members from U of I

Circle K enjoying the Hawaiian theme which was in tune with the International Convention in Hawaii. We had an interclub with the Circle K as well as Clyde Fields and myself and my wife Cindy. We then had dinner and speeches from Stephen Weathers of Butler Circle K who is the Circle K Governor, a representative for the Key Club Governor as well as Governor Peoples, A good time was had by all.
