Bicycle Safety Program Set for October 4

The club's Bicycle Safety Program is set for Saturday, October 4, at Clinton Young Elementary, 5740 McFarland Road. During the program, a young person with cerebral palsy will receive an adaptive bike. Tom Dunham will show us the ropes and will bring other Kiwanians who have put on this program before. Volunteer orientation will be from 10 to 11 a.m., with the program set for 11 a.m. to 1 p.m. Southport High School Key Club students will be on hand to assist. In the event of inclement weather, the event will be canceled.

Saturday morning slots are still open to work at YMCA soccer and football concessions. Join SPHS Key Club members this year in helping out.

Officers to be Inducted

Club officers for the coming year have been approved. They will be formally inducted into office at the club's regular meeting on October 2. Thanks to all the officers for giving so generously of their time and effort.

Entertainment Books on Sale

Entertainment books are still on sale for only \$20. Remember, if more than 71 of our 86 are sold, the club will have raised the equivalent of one scholarship. According to Project Chairman John Bales, "This is a bargain with many buy-one-get-one-free meals, and it's a good fundraiser for our club." Let's get behind this program to help raise funds for the club.
